#### School Day

Cobb's day is from 9:30 A.M. - 3:50 P.M. Supervision is provided from 8:45 A.M. - 4:20 P.M. On Early Release days, students will be released at 1:20 P.M.

#### Late Arrival Information

Students arriving after the tardy bell must be escorted to the office by the parent/guardian where they will sign in and their Agenda Book will be written in as their pass.

*Students that are chronically tardy or leave early without an acceptable excuse more than (5) times in a calendar month or (10) times in a 90 day period are in violation of the school board policy and will receive written notification from the school. Florida law allows absences for illness or medical care, death in the family or religious holidays.*

#### Students Leaving During the School Day

Students must never leave campus without notifying the office. Parents must come in and sign the student out through the office. Parents must present a valid state issued picture ID when visiting our campus.

#### Attendance

All absences are unexcused unless a written note from a parent/guardian giving an explanation for a student's absence is given to the office prior to reporting to first period.

#### Agenda Books

All students need to have an agenda book. Agenda books will be on sale for **\$5.00** each. This will serve as a hall pass for them throughout the year as well as serve as their organizational tool for academic success. These books will be available for purchase in the fall.

#### Bathrooms

There is ample time between classes to handle any bathroom needs. There are boy/girl bathrooms at the end of each hall.

### Book Bags

Students using book bags to transport materials to and from home must place the book bag in his/her locker before the first tardy bell. The bag stays in the locker until dismissed for the afternoon. There will be two extra minutes given at the end of the day to retrieve their bags before the bus will leave for the day.

### Cafeteria

Food is prepared in the self-contained kitchen at Cobb. For lunch the cafeteria provides a choice of regular hot lunch or a-la-carte items each day. Breakfast is served in the cafeteria.

### Clinic

The clinic is available for students who are too ill to remain in class or for emergency purposes. Before any medication may be left at school for administration, parent permission and instructions must be provided. The parent or legal guardian shall file with a school administrator a dated, signed permission form (available at the office) authorizing the school to supervise the student in self administration of medication. All prescription and non-prescription medication must be kept in the clinic.
