

5th Annual Magnet Spaghetti Dinner

Thursday, Nov. 4

5:30 pm – 7:30 pm

The Annual Spaghetti Dinner at Cobb, dates as far back as 1981 and has proven to be a strong fundraising event. Now, having been adopted by the Cobb Applied Science and Technology Program, we are happy to announce the Fifth Annual Magnet Spaghetti Dinner.

Here is how it works as--Cobb provides the cafeteria, cutlery and drinks; parent volunteers provide the food and service labor. Each 6th grade family provides a cooked pasta dish; each 7th grade family provides a salad dish with dressing and bread; and each 8th grade family provides a dessert dish. Portions should serve 8-10 people.

Tickets are \$5.00 per person (tickets for children under 7 are \$2.00) and will be presold. Students will receive their tickets from their science teacher. Prepaid tickets can be purchased Wednesday, October 27th through Wednesday November 3rd. Tickets will also be sold at the door. It is our hope that each Magnet family will purchase a minimum of five tickets to sell. This minimum may include your own family.

Checks should be made payable to Cobb Middle School.
