# Children's Grief Awareness Day

**Grief is a natural and normal response to death. Each child's grief is unique.**

Help others understand the impact of death on children and their need for support. Join us by wearing blue and visit our family friendly Children's Grief Awareness Day Open House. Multiple local agencies that support grieving youth will have fun activities and information available. Refreshments will be provided.

November 21, 2013 at  
Leon County Public Library in Program Room A  
from 3:00 - 6:00 p.m.

Please contact Pam Mezina with any questions or to volunteer at  
850-878-5310 x799 or email [pam@bigbendhospice.org](mailto:pam@bigbendhospice.org) or
