Cobb Magnet Program

WELCOME NOTE!

Hello! My name is Page Curry, and I am thrilled to be your new Magnet Coordinator! What a joy and honor it is to serve our amazing students and families in the Magnet Program. I am so happy to be here and take on this new and exciting endeavor. My husband and I have three wonderful children who call Cobb home and were, or are currently, a part of the Magnet Program. As a parent, I can attest to this being a one-of-a-kind educational experience. The family atmosphere between faculty, parents, and students is truly a gift!

I currently teach sixth grade math and am ever-amazed at the excitement and creativity of our students. I have been teaching pretty much all of my life from toddlers to adults and middle school is definitely my favorite!

My door/class is always open so please call or email if you want to get involved, learn more about the program, or if you have questions, thoughts, joys or concerns.

We have some exciting events planned and I look forward to a dynamic year together!

OPEN HOUSE / SPAGHETTI DINNER THIS THURSDAY!

Cobb invites you to participate in a short version of your child's day this Thursday 9/11 at 6 p.m.! You will travel through your child's daily schedule, meeting all of their teachers and getting to know why they come home so excited, tired and hungry! ☺ This promises to be a fun evening for you and your child!

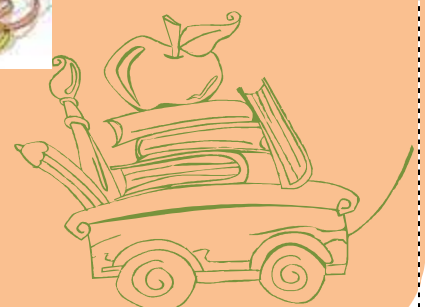

We know this is a busy night so please plan to join us for a delicious spaghetti dinner before or after Open House!

Dine in from 5:00-5:45 in the cafeteria or get a plate to-go after Open House from 7:00-7:30.

Tickets are \$8.00 for middle schoolers and older, \$5.00 for elementary students, and ages 3 and under are free!

The meal includes dinner, salad, bread, dessert & a drink!! Tickets are on sale now or at the door.

This is one of the Magnet Program's main fundraisers each year so help us help each other!
