

Have a Happy Thanksgiving! ☺

A few notes to share:

- ❖ Some of us spent time today writing letters, making card and notes to send to real life Hero's, our military troops stationed overseas! Your children did an amazing job sharing a bit of home and encouragement with these soldiers and I am so proud!!! I will be sending a batch out this weekend; however, if your child would like to finish theirs or make another I will send another batch out in early December!
- ❖ Due to timing issues & technical difficulties magnet probation letters will not be sent out for the 1st nine weeks. If your child received a C or lower in any academic class please be sure they are working with their teachers to raise their grades this nine weeks. Thank you for your understanding.
- ❖ Don't forget to sign up for Magnet Field Trips! The forms are available online on the [magnet webpage](#) Click on Meeting notes, documents & handouts. There is still room but it is first come first served.
- ❖ Thank you to our amazing PTO for looking for ways to help our program! It is going to be a great year! Coming soon: information from our wonderful PTO liaison Mrs. Cobb with ways to support Cobb Magnet!

Blessings for a fun, safe, family filled holiday weekend! We only have 3 weeks left in the quarter when we come back after Thanksgiving! We will have progress monitoring and midterm exams coming up! Whew! This year is flying by! ☺
