

Magnet Moments

DECEMBER 18TH

2015

Hello Cobb Cubs & Families!

Hard to believe our 2nd nine weeks has come to an end... thank you for making this an amazing school year so far!

We look forward to a stellar 2nd semester. Now that we are secure in the expectations, we can hit the ground running. We have our field trips to look forward to as well as fun hands on projects.

We hope you and your family have a wonderful winter break and we'll see you in the New Year! :)
