ESOL Parent Leadership Council

- * The Leon County School District's ESOL Parent Leadership Council is a group of parents whose children are acquiring English as their second language and who are actively involved in their children's education and academic achievement. The meeting is an opportunity for you to be informed about the ESOL Program, other programs and services offered by the district, and representation on school and district advisory committees. We look forward to an open sharing of ideas on how to increase ESOL parent involvement and how we can enrich the educational experience of English Language Learners.
