

Classroom Technology Training Series: Session 2

• February 7th, 2017 • 3:30 - 5:30 pm EST •

Bloxham Building (725 S. Calhoun St, Tallahassee)

Earn 5 in-service points
with completion of
follow-up.

This training will cover multiple websites and applications that can be used to enhance engagement and adapt instruction to meet diverse learner needs.

*** Participants will need to bring their own device with internet capabilities and should have some basic tech skills prior to enrolling. ***

Although this is the 2nd training of the series, attendance to Session 1 or later sessions is not required.
