

Developing Quality IEPs: Elementary

Wednesday, February 15, 2017
8:30 am – 4:00 pm

Bloxham Building/FDLRS Training Room 118
725 South Calhoun Street, Tallahassee

The goal of this workshop is to help educators develop quality individual educational plans (IEPs) for students with disabilities at the elementary level. Participants will be actively engaged in activities to write quality present level statements, measurable annual goals, and short term objectives/benchmarks. Additional topics include special education services and supports, supplementary aids and services, accommodations and modifications, assistive technology, and accessible instructional materials.

Registration is REQUIRED!

Gadsden, Jefferson, Taylor & Wakulla
