#FAMUSTEMDAY2017

Purpose:

STEM Day is an outreach activity for 6th - 12th grade students, designed to increase their interest in pursuing careers in science, technology, engineering, and mathematics (STEM) fields. This event is also designed to highlight the various STEM activities taking place on FAMU's campus.

Theme:

The event's theme is "Harness the Power: GET AMPED UP!" Students will unlock the mysteries of science with hands-on, problem-solving experiments in STEM disciplines.
