

# Magnet Parent Night

*Language Arts*

with Ms. Blue

**noredink** = Online platform for 6th grade homework

Each week students are assigned one "Homework Practice" and one "Homework Quiz" to complete. They consist of 5 grammar topics. The practice and quiz are 15 questions each and are on the same 5 grammar topics. Homework is assigned Monday and due Sunday. Students may work at their own pace to fit their schedule. So long as all topics are completed by Sunday, their work is considered on time. Late assignments will not disappear until the end of the 9 weeks and need to be completed as soon as possible. The lowest quiz grade is dropped each 9 weeks. I check NoRedInk every Monday to input grades. The homework schedule for the entire year is on my class website and on the class syllabus.

In order to ensure success in the realm of Language Arts, we will be using an online platform for differentiated instruction known as Achieve 3000. On Friday, students will be assigned one article and corresponding worksheet to complete in class. The article relates to the unit we are working on in various facets such as vocabulary or theme. Students can easily log on at home and school through Classlink. Following the lesson, students will have the remainder of the class period to work on NoRedInk homework. The lowest Achieve 3000 activity score will be automatically dropped at the end of each 9 weeks.

**ACHIEVE 3000**<sup>®</sup>  
THE POWER OF ONE

## Online Textbook

Our *Florida Collections* textbook is now available online through Classlink. Please check to make sure your child does not have any trouble logging in.

## ClassLink: NEW Single Sign-On (SSO)

LCS has adopted ClassLink, a platform that will enable teachers and students to use one username and password to access everything they need. When on the Cobb homepage, click the blue cloud icon on the top right corner of the screen.

When logging in from HOME: Students **MUST** use their **FULL** username (their 9 digit student number followed by @edu.leon.schools.net)

Example: 171012345@edu.leon.schools.net

## Tools to Success

- ⇒ KhanAcademy.org  
Video tutorials & practice on a variety of topics K-12+
- ⇒ Mathisfun.com  
Math dictionary and extra practice & examples
- ⇒ MathPlayground.com  
Learning games for all levels: multiplication, fractions, integers, etc.
- ⇒ LeonSchools.net/Cobb  
Teacher Webpages, Parent Portal, Announcements, etc.
- ⇒ <https://launchpad.classlink.com/home>  
Single Sign On (SSO) platform to access all necessary apps and websites!

## 6 Things to Know

1. We understand the transition to middle school and easing your students into middle school while having high expectations for them!
2. 6<sup>th</sup> grade advanced is a Pre-Algebra Math class. Our pace is fast, but thorough. Our goal is to get your students ready for Algebra I Honors for high school credit next year. Will all students move into Algebra? No, but those that are ready and choose to will have that option.
3. There are several topics we will cover this year which may seem like a review; however, we will be building on those skills in order to solve multi-step real world problems.
4. High school Algebra & Geometry will have even higher expectations, our teachers are fair and available.
5. Perseverance, self-reliance, using resources, having a growth mindset, and advocating for yourself! These are just a few of the key tools we are teaching your children.
6. Thank you for the opportunity to teach your children, it is a true joy and privilege.

## Online Textbook

Our *Go Math* textbook is now available online through Classlink. Please check to make sure your child does not have trouble logging in.

## Stay in Touch with Us!

Phone Number: 488.3364      Best Time to Call: 8:30-9:15AM OR 4:20-5:30PM

Email is the best way to reach us. Please be sure to include your child's name and period in the email so we know who you belong to.
