

Time to Rake in New Ideas & Tools!

ASSISTIVE TECHNOLOGY LIVE!

NOVEMBER 30, 2017
4:00 PM – 7:00 PM

Assistive Technology is more than just high tech devices!

Come explore assistive technology by interacting with over 50 different tools ranging from simple to complex for meeting diverse needs of students in Reading, Writing, Math, Science, Cooperative Learning, and Self-Regulation. Learn how to increase student

engagement through successful use of assistive technology. You'll be amazed how simple it can be!
