**KEYNOTE: KATHLEEN CASPER**

How do I know what social-emotional characteristics and needs my child/student needs to work on? What does an overstressed gifted student look like, and how can I tell if my child is at risk? If the kid knows so much, why can't they pay attention or keep track of their homework?

The keynote is appropriate for adults only.

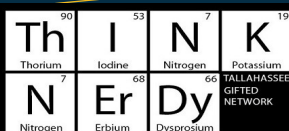

**BREAKOUT SESSIONS:**

- Duke Tips
- Articulation: Elementary-Middle-High
- Leon Magnet Schools

**STUDENT ACTIVITIES:**

During the conference, K-5 students can participate in exciting, supervised activities at the cost of \$5 per child for parents attending the program (cash only).

Registration is required.  
 Space for students is limited.
