

Lexonik has improved the academic achievement for over 60,000 students to date, working with partner schools across the UK, as well as in CA, here in FL and ME.

Katy Parkinson, the Founder Director of Lexonik by Sound Training, has been teaching for over 30 years in Special Educational Needs specializing in Dyslexia. Prior to setting up her company Katy was an Associate Member of the British Dyslexia Association.

Lexonik literacy programs are currently being used by schools in Florida's Bay, Jackson, Taylor, Washington, Leon, Brevard, Suwannee and Walton counties.

Katy is now offering a Professional Development session titled "Closing the gap for all learners including students with Dyslexia".

"In all of my 30 years teaching experience this is by far the best PD I have EVER attended!"

Professional development workshop offering a greater insight into Dyslexia and other barriers to learning as well as ways to overcome them. This event will include discussions on theory as well as practical ideas to enhance and support the teaching of students with a wide range of abilities and needs.

The principles of instruction that will be covered are:

Dyslexia explained

- Understand the general characteristics of dyslexia
- Dispel common myths

Phonological Awareness

- Recognize phonological difficulties and effective strategies to overcome them.

Memory

- Understand the need for repetition and retrieval practices to enhance learning

Vocabulary

- Recognize how the lack of vocabulary is a key barrier to the learning process

How to help

- Learn effective approaches to help children with dyslexia
- Explore powerful learning strategies for all

You will be provided with knowledge, ideas and some take away resources to start using in your classrooms immediately!
