

# Leon County Schools Title I - Family Engagement Survey

This survey is to help us understand different aspects of the parent/school relationship. We are interest in your thoughts, feelings, and attitudes towards your child's school.

When answering these questions, please consider your experience thus far in the 2019-2020 school year. Your responses are anonymous. Please be as honest as possible; there are no right or wrong answers.

Because each child has unique experiences in the same school, you should complete this survey for each child you have attending the selected school (one survey per child). Thank you.
