

FREE PARENT WEBINAR

SOCIAL TALES

2 Part Series!

Florida Diagnostic and Learning Resources System is proud to announce a webinar series for parent(s) and guardian(s) to learn more about social tales. Please join us to explore the world of social tales in this 2 part series describing what social stories are and how to utilize them. Each part will offer a session in the morning that will be duplicated in the evening to accommodate the busy schedules of parents and guardians. Please be sure to register for each session that you will attend. Part 2 will build upon the information shared at Part 1. If you have any questions, please contact FDLRS Administration at 386-312-2265.
