Collaborative Teaching Partnerships: Providing In-Class Supports to Students with Disabilities Webinar

Audience: Teachers

Per state statute, all teachers serving in a collaborative role - any teacher who works with one or more teachers in the same room throughout the instruction day - must complete training in collaborative teaching within the first year of his/her assignment to such a role.

This training will provide collaborative teaching partners with essential tools and processes to plan and deliver instruction for students with and without disabilities in the general education classroom, and meets F.S.1012.585(3a) requirements (formerly Senate Bill 1108).

In-service points awarded: 9

This webinar is formatted into four 1.5 hour sessions delivered over two weeks.
