teaching students
on Access Points

Access Points 2.0 Virtual Training

5 Inservice Credits toward Students With Disabilities
requirement upon successful completion of follow-up!

Monday,
November 23, 2020
4:00 PM - 6:00 PM

During this intermediate-level workshop participants will take an in-depth look at the Florida Access Points and grading rubric examples. Participants will find concrete resources for classroom implementation of teaching academics to students with significant disabilities.

Registration REQUIRED
by November 16th at:
bit.ly/AP20Registration
