

Leon County Schools - Title I Education Model Survey

The Leon County Schools' Title I Office is administering this parent survey to give our community partners and liaisons insight on your family's experiences with your child's schooling during this 2nd nine-week period. The information gathered will be used to guide continual improvement within our Title I schools to better serve our students and their families.

Your responses are anonymous. Because each child may have unique experiences, you should complete this survey for each child you have attending the selected school (**one survey per child**). Thank you.
