SEALEY ELEMENTARY

MATH AND SCIENCE MAGNET SCHOOL

January 12, 2020

Dear Sealey Family,

Today we received notice that one or more of our students has tested positive for COVID-19.

I have already reached out to the families of students who were close contacts. A close contact is defined as someone who was within *six feet of an infected person for at least 15 minutes*.

We want to continue to highlight the importance of everyone doing their part to minimize the spread of this virus: keep your students home when they are sick, keep your students home while anyone in the household is awaiting COVID-19 test results, keep things clean and sanitized, utilize proper hand washing, wear masks, and maintain social distancing.

We take our commitment to your child's safety seriously and are working closely with the Leon County Health Department to follow CDC guidelines and best practices during this time. For more information about the student and family protocol please visit <https://www.leonschools.net/Page/49637>. The health and safety of our students is our highest priority. If you have further questions please do not hesitate to reach out.

Take care and be safe.

A handwritten signature in black ink that reads "Demetria". The signature is fluid and cursive.
