

Join us for our inaugural observance of

GLOBAL YOUTH SERVICE DAY!

How are our youth doing?

- How has the COVID-19 Pandemic impacted our youth educationally, emotionally, and economically, particularly within disadvantaged neighborhoods and areas?
- How can we proactively work with our youth to ensure that they recover and thrive?

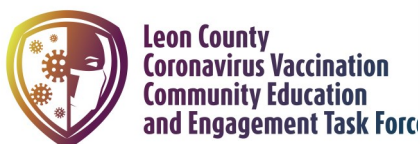

Leon County youth are invited to participate in our first community-wide virtual youth listening session that asks, "Where do we go from here?" Counselors will be on hand to assist with listening and facilitation of large and small group conversations, and a Youth COVID-recovery action plan will be created by our youth participants to be presented to our local government.

WHEN: APRIL 25TH, 2021 | 2:30 PM-4:30 PM
