Congratulations to all of our Elizabeth Cobb Middle School 8<sup>th</sup> Graders! We are extremely proud of your accomplishments, and we know that your future is bright. We are proud to announce our Second Annual 8<sup>th</sup> Grade Drive-Through Promotion Parade. It is important that we observe all of the CDC recommendations regarding COVID-19. To that end, please review and acknowledge the following guidelines in order to participate in your 8<sup>th</sup> Grade Drive-Through Ceremony Parade:

- Each 8<sup>th</sup> grader who has met the following requirements will be able to participate in the CMS 8<sup>th</sup> Grade Drive-Through Promotion Parade:
  1. Four (4) quality points earned in each core course
  2. Submitted proof of address for high school
  3. Returned or paid for all media center materials
- Each 8<sup>th</sup> grader will be allowed to participate in the parade in one car or truck. A parade route map will be published. We encourage family members and friends to park along the route to cheer on our 8<sup>th</sup> graders.
- Each 8<sup>th</sup> grader may have the number of family members in his/her car that equals the number of factory-installed seat belts within the vehicle.
- 8<sup>th</sup> graders (and guests), using one car, should arrive at Winthrop Park between 5:00 and 5:30 PM to line up. Please allow for traffic as the parade will begin at 5:45. A map will be provided.
- Participating 8<sup>th</sup> graders will be pre-screened/vetted before entering the parade line at the Winthrop Parking lot. This process will ensure that each 8<sup>th</sup> grader has a signed participation acknowledgement form on file. Once this is confirmed, the car will be marked with the 8<sup>th</sup> Grader's identification. This identification will be used to announce the 8<sup>th</sup> Grader's name at the CMS bus loop before receiving their medal and certificates in accordance with all COVID-19 requirements.
- 8<sup>th</sup> graders will be allowed to decorate his/her car within reason, and following all state and local laws of motor safety compliance.
