

Tech Bytes

On Demand Webinars

Do you want to learn technology but don't have a lot of time? In 15 minutes or less, each webinar features a user-friendly and functional Google App or Extension that can increase productivity for all learners and teachers! One (1) inservice credit per webinar is awarded with successful completion of the follow-up task provided in each webinar. Click on each link to view the webinar.

Mercury Reader

removes distractions from webpages for readers

bit.ly/MercuryVideo

Grammarly

checks spelling, grammar, and punctuation errors
