## WELCOME TIGERS !!!

Welcome to the 2021-2022 school year! We are thrilled and delighted to have all of our Griffin Tiger's back on campus this year. We will still follow our COVID-19 protocols that have been passed down by our district office. Students and Staff will be REQUIRED to wear a mask until we are given further guidance.

For orientation this year, you will be able to tour your student's schedule, meet with his/her teachers, and pick up pertinent information from the amphitheater. Maps can be picked up in the front office or the cafeteria.

## Registration

If you have a student that needs to be registered, please prepare all the documents needed (2 proofs of address, previous grades, etc.) and bring them on Monday, August 9th.

## Schedules

You and your student should be able to log into FOCUS and pull up the 2021-2022 schedule. Please stop by the cafeteria if you do not have a FOCUS log-in.

## Immunizations

All 7th graders should have up to date immunizations. If your 7th grader is missing the TDAP shot, please provide us with an updated record so that they are able to attend school.

## Additional Resources

In the amphitheater, you will find additional resources and things going on around the campus that may be beneficial to you and your student.

**Please feel free to see myself or any of my administration if you need assistance while on campus.**
