

INTRODUCING VIRTUAL TUTORING!

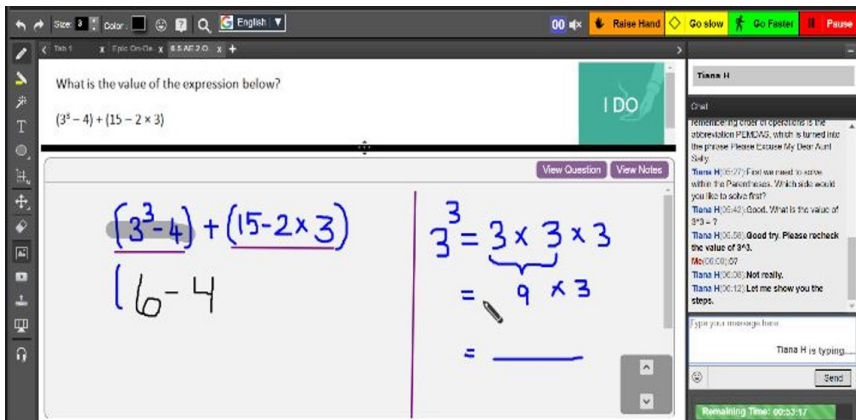

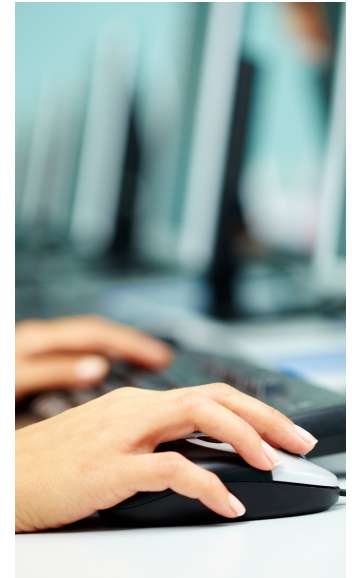

Leon County School District has partnered with Edmentum and FEV Tutor to provide high-quality virtual tutoring for homework and coursework help this school year!

WHY FEV TUTOR?

Leon County School District has chosen to partner with Edmentum and FEV Tutor, innovative EdTech organizations, because of their successful track record with schools across the country.

FEV Tutor takes a creative approach to delivering students the 1-on-1 support they need to grow academically. Students work with their own professional tutor on an engaging web-based platform accessible from any computer with an internet connection.

Your student is able to have 24-7 access to a tutor for homework or coursework help through our on-demand system. Students are also able to schedule times to work with a tutor 7 days a week 10 AM - 7 PM.

WHAT WILL TUTORING LOOK LIKE FOR STUDENTS?

Students will be able to share their homework or coursework with tutors ahead of time or inside of our asynchronous two-way whiteboard with various learning style options.
