

## Leon County Schools Fall 2021 Title I Parent and Family Engagement Survey

This survey is to help us understand different aspects of the parent/school relationship. We are interested in your thoughts, feelings, and attitudes towards your child's school.

When answering these questions, please consider your experience during the 2021-2022 school year. Your responses are anonymous. Please be as honest as possible; there are no right or wrong answers.

Because each child has unique experiences in the same school, you should complete this survey for each child you have attending the selected school (one survey per child). Thank you.
