Subject: LCS Title I Parent and Family Engagement Survey – Fall 2021

The Leon County Schools' Title I Office is administering the Parent and Family Engagement Survey for Fall 2021. The survey allows your school and our district's Title I Office to understand the aspects of the parent/family and school relationship. Parents/guardians of students at your school should be given the opportunity to complete the Family Engagement Survey. The information gathered will be used to guide continual improvement within our Title I schools to better serve our students and their families.

The survey administration period is **Friday, November 12, 2021** through **Friday, December 17, 2021**.

The Parent and Family Engagement Survey is available online and by paper in ***English, Spanish, Haitian Creole, Swahili, and Arabic***. Parents/guardians are able to select their language preference by clicking on the appropriate link or QR code.

Paper surveys (see print-ready attachments) may be used for parents/guardians who are unable to access a computer or device with internet connection. The two-page survey should be printed front and back on a single sheet. **Please make sure that all four corner markers and barcode are clearly visible when printing the paper surveys.** Some printers may cut the bottom part of the document and make the survey unreadable. If completed on paper, the surveys can be collected and returned to the school's Parent Liaison. The district's Title I Office will coordinate with each school regarding the receipt of the paper surveys.
