**To Whom It May Concern:**

**Winston Churchill said, "We make a living by what we get, but we make a life by what we give."**

**Like so many non-profit organizations, last year Swift Creek Middle School (SCMS) was unable to host the Annual Silent Auction to benefit our school. We are in the process of coordinating this year's Annual Silent Auction event scheduled for Friday, April 8, 2022, from 6-8pm.**

**Our Silent auction is a part of the school's fundraising efforts to provide Swift Creek with critical funding. In the past, monies raised provided a new sound system for our cafeteria, assisted in building an outdoor classroom and buying materials for teachers that were not in the school budget. Your generosity, along with others, will enable us to achieve our initiatives to support Swift Creek Middle School to install touchless water stations in each of the buildings, new basketball goals in the refurbished gym, and a new outdoor classroom. These initiatives will assist in providing an enriching environment for our students and their families.**

**We would greatly appreciate your donation of a gift certificate or any suitable item to help with our efforts. With your generosity, along with others, we will achieve our goal to help assist the school in providing an enriching environment for our students and families. Your donation is tax deductible (SCMS is a non-profit, public school). If needed, we can provide you with SCMS tax exempt ID number. All donors will be recognized through the weekly SCMS list serve newsletter and on the SCMS PTSO website which reaches over 1,000 Tallahassee homes.**

**Thank you for your time and consideration.**

**Sincerely,**

**Lanisha Wetherington**
