Dear Parents,

It has been a pleasure meeting and working with you and your children this year. We have accomplished some great things and we're looking forward to even greater success in 2022-2023.

Today you received an abbreviated report card for your child. It **does not** include end of year status information. In order to see your child's full report with end of year information included you will need to log into your parent portal account on Tuesday, May 31, 2022, after 12 pm. You also received instructions for how to create a parent portal account, if you haven't done so already.

We hope you have a safe and wonderful summer.

Best Regards,

Maurice Stokes
Principal
