Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring tool that will be administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) standards throughout this school year. The purpose of this letter is to inform you that your student will take the Star Reading assessment and Star Math assessment before September 30, 2022. Your student's results from PM1 are for informational purposes only.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions. Each test attempt (PM1, PM2, and PM3) will present 35–40 items that will cover the entire test “blueprint,” meaning students will encounter items representative of the standards within the subject or grade level. If you or your student would like to review [Star Early Literacy, Star Reading, and/or Star Math] sample items at home, sample test items are available at <https://ffast.org/resources/renaissance-star/renaissance-star>

The Star Early Literacy assessment typically takes less than 15 minutes to complete. The Star Reading assessment is usually completed in less than 20 minutes, and the Star Math assessment typically takes less than 30 minutes to complete.

For more information about the Florida Statewide Assessments program, please visit the portal at [www.FLFAST.org](http://www.FLFAST.org)

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Beth Jackson  
Principal
