Dear Community Partner,

As an active parent of Augusta Raa Middle School's Parent Teacher Organization (PTO), I witness firsthand the sacrifices our teachers make every day to foster nurturing learning environments for our children. However, during the past few years, in the face of insurmountable obstacles, heightened with the overwhelming tasks of teaching virtually and back again, our teachers have made the ultimate sacrifice of time and health for the success of our students.

This letter serves as a formal request for your business to be a part of the Raa Rams Business Sponsorship program. Your participation will assist us as we celebrate our 85 educators and staff throughout the next 12 months. Your contribution will allow us to not only boost the morale of these amazing faculty, staff and students but will enable us to recognize them for their diligence, patience, and passion for educating our students.

Augusta Raa Middle School strives to be a learning community that provides wrap around support for all its members, and we often require external assistance when aiming to meet this goal. We are inviting your organization to join us as we support and enable to those faculty, staff, students and families who are a part of the Raa Middle School community.

The opportunity to discuss this donation request in detail is most welcomed. You may contact me via email or telephone.

Sincerely,

Caroline Tharpe Weiss
