Reminders & Announcements

Mornings

Supervision is available for students beginning at 8:45 a.m. Please do not drop your students off before that time – students are not permitted on campus until the 8:45 a.m. bell.

After School

21st Century is currently accepting applications, we only have 10 spots available!

Dell Computer Savings

It's October, and that means Dell Education Month is here!!! We truly appreciate the hard work that educators do each and every day for their students, colleagues, and communities, and we want to offer you an exclusive offer as a sign of our appreciation. Please visit your Education Purchase Program link below and request your 10%-off coupon. This offer will be available from 10/1-10/31! Thank you again for all you do!

Title One News

Parent and Family Engagement Night!

We are hosting our first parent and family engagement night. In keeping with our schools pirate theme the event is titled "Protect Your Treasure and Fall in Love With Financial Literacy". We will have a speaker from Envision as well as tables setup for you to visit and get information about resources within the community. Please join us and you will be entered into a raffle! The event will begin at 6:00 pm in the Media Center, we hope to see you there!

Title One Parent Survey

The Parent and Family Engagement Survey is available online and by paper in *English, Spanish, Haitian Creole, Swahili, and Arabic*. You are able to select their language preference by clicking on the appropriate link or QR code.

QR Codes are available below, clickable links can be found in the body of the Flight Plan email, and on our Facebook page.

Parents and Guardians,

CHP CHAMPIONS is excited to be entering its 16th year of a program spanning across more than 40 elementary and middle schools in Leon, Wakulla, Gadsden, Jefferson, Liberty, and Calhoun Counties. Over the years CHAMPIONS has become a large part of your child's physical education curriculum, working alongside schools' physical education departments to enhance your child's overall fitness and long-term health and well-being.

In 2006, CHAMPIONS began as a partnership between Capital Health Plan and Titus Sports Academy, founded as a public health and wellness campaign molded to train five physical qualities in speed, strength, agility, mobility/flexibility, and endurance. CHAMPIONS coaches that work with your child are trained at Titus Sports Academy to implement evidence-based fitness routines and movements alongside the physical education teachers.

To ensure the efficacy and continually reassess the program's effectiveness, measurements of the student's height and weight for a body mass index average (BMI-Y), a Standing Broad Jump to determine lower-body muscular strength and coordination, and a 300-Yard Shuttle Run to determine lower-body muscular endurance and cardiovascular conditioning. Measurements are collected four times per school year, at the beginning and end of each semester.

Participation in the program is voluntary. If you would like to opt out of the program, please provide a written statement to your child's principal or their designee.

Looking forward to another great year!
