# Empower students with next-gen technology.

Free STEM enrichment workshop for middle school students

Every student deserves access to a better future. That's why we've launched the Verizon Innovative Learning STEM Achievers program. Join a full-day workshop for an introduction into the immersive program. Students will learn about design thinking, 3D printing, augmented reality and social entrepreneurship.

🕐 The program takes place over a full-day science, technology, engineering and math (STEM) workshop on November 12th from 9 am through 1 pm

📍 Tallahassee Community College
444 Appleyard Dr, Tallahassee, STEM Center
Academic Computing Building, Room 133
