Our History

In 1957, a small group of Florida sheriffs saw the need for a residential care facility for troubled boys. With a little bit of cash and a big dream, they pooled their wisdom and efforts and watched their dream become a reality. Within a short period of time, they were helping many young boys turn their lives around to become productive and responsible adults.

Our Vision

To develop young men and women who, because of the Florida Sheriffs Youth Ranches, are able to face the future with a sense of direction, ability and hope.

Our Mission

The mission of the Florida Sheriffs Youth Ranches is to prevent delinquency and develop lawful, resilient and productive citizens.

Our values

Faith: We believe that a right relationship with God makes all the difference in one's life.

Integrity: We believe that doing the right thing for the right reasons is the only way to operate.

Service: We believe that going the extra mile in recognizing the individuality of our children, donors, Sheriffs, staff, and communities is what sets us apart.

Quality: We believe in doing nothing less than the very best, every day in every way.

Stewardship: Taking responsibility for the assets that have been provided for the benefit of the children through the gifts and sacrifices of others.

Character: Building successful youth and staff through the development of positive character traits.

Responsibility: We believe in accepting ownership of personal attitude and behavior and realizing how they affect our community and ourselves.

Accountability: We believe in earning the trust of others every day through our honest and genuine actions.

Respect: We believe respect is earned, owned, shared and shown every day and without compromise.
