Phlebotomy Application Packet

Full-time Days
6 Weeks

Phlebotomy Program Application Packet

Phlebotomists are employed in blood banks, hospitals, clinics and other medical facilities drawing blood from patients in preparation for medical testing. The program focuses on the skills and knowledge necessary to gain employment as a Phlebotomy Technician in a healthcare facility.

The healthcare field is a growing industry, and being a part of that field includes caring for people and their health. Phlebotomy can also be the first step as a health care professional.

Upon successful completion of the Phlebotomy Technician program, students will be prepared to sit for the required examination before the National Healthcare Association and begin the search for employment within the industry.

Our course curriculum includes textbook lecture and in-depth instruction in the following areas:

- Necessary skills required to perform venipuncture
- Safety and infection control
- Patient communication and education
- Law and ethics
- Transitioning from Student to Employee

PROGRAM LENGTH	165 Hours
PROGRAM HOURS	Day Program Monday – Thursday: 8:00 am – 4:00 pm Clinical hours vary and may include Saturdays
PROGRAM LOCATION	Lively Technical College Health Education Department, Building 15 500 North Appleyard Drive Tallahassee, FL 32304 (850) 487-7449 (Clinical locations vary)

During these times, guidance and regulations around mandatory COVID-19 vaccines continue to change. As a clinical requirement, some of our contracted healthcare facilities may be authorized under law to require specific vaccinations. Lively Technical College is committed to closely monitoring the situation in order to communicate changes and requirements to students in a timely manner. However, by applying for a health education program that has clinicals as a requirement for completion of the program, students must acknowledge that they may be required to obtain a COVID-19 vaccine at any point in the program to be in compliance with the clinical site requirements. Students must acknowledge that failure to be in compliance with the COVID-19 vaccine may result in withdrawal from the program.

The Leon County School District does not discriminate against any person on the basis of sex (including transgender status, gender nonconforming, and gender identity), marital status, sexual orientation, race, religion, ethnicity, national origin, age, color, pregnancy, disability, military status, or genetic information.

ORIENTATION

After being accepted into the LTC Phlebotomy Program, applicants will be notified about attending a mandatory orientation. The date(s) and time(s) of this meeting will be given to all accepted students within their acceptance letter. For further information, please contact the Health Education Department at 850-487-7449.

CRIMINAL BACKGROUND CHECK

All applicants must undergo a Level 2 criminal background through Leon County Schools. In order to participate in the mandatory clinical practicum, as well as to obtain licensure, students must have a clear background.

DRUG SCREENING

Drug screening is not required prior to admission into the program. However, all students must submit to and *pass* two random drug screenings after entering the Phlebotomy Program and prior to having access to the clinical health care facilities utilized in the Program. This is a Joint Commission on Accreditation of Healthcare Organizations (JCAHO) requirement demanded of all acute care facilities in Florida. Students who do not pass a random drug screening will be withdrawn from the program.

DISABILITY SUPPORT SERVICES

If you have question regarding adult students with disabilities and accommodations, please contact LTC Student Services located in Building 9 or at 850-487-7473.

ACCEPTANCE INTO PROGRAM / REGISTRATION

Lively Technical accepts applicants into all Health Education programs on a rolling admission basis. As we receive applications, potential students are scheduled for an interview with the Health Education Director or their assignee. Once an applicant has completed the interview, they will be notified of their admission status. Accepted applicants will be given an acceptance letter, which will allow them to register for the program they have applied to. Lively Tech Health Education programs may be closed prior to the posted application deadline date once that program has reached capacity.

<u>UNIFORMS</u>

Upon acceptance Students are expected to wear the specified program uniform (Dark/Smoke Gray) whenever they are in the classroom, clinical simulation or clinical facility. Therefore, you must have your scrubs by the first day of class. Uniforms may be purchased in the Lively Technical College Bookstore in Building 8. Questions regarding proper attire and uniforms should be directed to the Health Education Program Director at 850-487-7443.

Late and/or incomplete packets will not be considered

LEVEL 2 BACKGROUND SCREENING INSTRUCTIONS

Level 2 screening standards (Fingerprints) return criminal history results on arrests (including juvenile) nationwide. Under Florida Statute 1012, persons with specified access require level 2 screening. Offences outlined in Florida State Statute 435.04 (crimes of moral turpitude) can be disqualifying when persons have been found guilty of or entered a plea of nolo contendere (no contest).

Instructions:

- Go to the Fingerprinting Office at the <u>Leon County Schools District main office</u>, <u>located at 2757 W. Pensacola St., Building 1</u> (to the right of the main district office). The hours for the Fingerprinting Office are: Monday-Friday, 8:00 am-5:00 pm Take this form with you.
- 2. Submit payment for screening. Payment can be via credit card or money order.
- 3. Obtain a receipt for the screening.

Submit the receipt of the background screening along with the Health Education program application.

If your background screening does not come back "clear," you will be notified. Additional information may be required.

Dear Parent/Guardian,

Students enrolled in the Phlebotomy program participate in clinical activities as a requirement of the program. Please be advised that health facilities now require that students pass an FDLE background check as well as an initial drug screening in order to participate in clinical experiences in their facilities.

To accommodate the program requirements, Lively Technical College has made arrangements for the students to undergo the background checks and drug screening at no cost to the student. The drug screening will be administered by Lively Technical College staff in a classroom setting using a mouth swab drug test.

If the screening returns a positive or inconclusive result, the sample will be retested. If the re-test is also positive, the principal of the school will be notified and will hold a conference with the student and his or her parent/guardian. At that time, the student will be given an opportunity to submit documentation to justify a positive result. Failure to provide satisfactory explanation for a positive test result may result in further action from the school including removal from the Phlebotomy program. Re-testing opportunities and pending results will be explained if necessary.

Additionally, all students must provide their own transportation to and from clinical sites. Students must be picked up within twenty minutes of the end of their clinical experience. Failure to pick up your child on time may result in dismissal from the program. The school district assumes no liability should you choose for your child to ride with someone other than a parent or guardian to their clinical experience.

All students must also have a completed immunization record submitted to their instructor. A copy of the Lively Health Record, required for clinical participation, has been provided to your child.

If you have any questions or concerns, please contact your child's instructor or you may contact me directly at 850.487.7418 or through email at bells@leonschools.net.

Shelly J. Bell

Sincerely,

Shelly L. Bell Director
