

ATTENDANCE

GHAZVINI

LEARNING CENTER

Title 1 - Parent Involvement

Snack and Chat

2:45PM & 3:45PM

February 8, 2023

The longer a child is out of school, the harder it is to return, as the child falls behind academically and starts to feel socially disconnected from classmates and teachers

Suggestions for Parents:

- Act quickly - stay on top of missed work
- Find the cause - why are they avoiding
 - Work with your school - communicate
- Be empathetic yet firm - show care, require school
 - Eliminate temptation - make home boring
