

A vibrant, colorful illustration for a Spring Break announcement. The background is a light green gradient. In the center, a white banner with a slight shadow contains the text 'Spring Break March 13-17' in a green, cursive font. The banner is surrounded by a dense arrangement of stylized flowers in various colors (red, orange, yellow, green, blue, purple), green leaves, and swirling lines. Several small, colorful butterflies and ladybugs are scattered throughout the scene, adding to the spring theme.
