

Making of a Red Fox

June 26-30 or July 24-28

First day jitters at the start of kindergarten are expected, let's skip the butterflies by attending Roberts Making of a Red Fox week long summer camp! Making of a Red Fox will provide your child with a gentle transition into kindergarten. Students will tour the school and become familiar with our campus through an exciting scavenger hunt, practice fine motor skills while making arts and crafts, get some exercise on our Kindergarten playground, and most importantly, meet new friends! Come and explore all that kindergarten at Roberts has to offer.
