We need the full support of our families to make the event a success. Each booth/bounce house is assigned to two classes. Please sign up to volunteer for one shift for your class! The Carnival cannot happen without our parent volunteers!

Donations

The kids love prizes... especially stuffed animals and candy! We are accepting new and GENTLY used/clean stuffed animals through Monday, April 17, to allow the committee time to sanitize and sort the stuffed animals. Please deliver these tied in a garbage bag no later than Monday, April 17. We would also love large bags of candy (no chocolate please) for prizes.
