- 5/24 - Last day of school!
- 5/25 - Summer break officially begins! :)

6TH GRADE

Mr. Johnson - World History - What a year it has been. I have thoroughly enjoyed getting to know the students and teach them all some of the main topics in world history. I am looking forward to the cultural exchange projects that will be due on the 15th and presentations that whole week (Mon-Wed). I hope everyone has a great summer and you find some ways to stay engaged and reduce your time on electronics. Civics is going to be a lot of fun. Congrats to all the sixth graders on a great year!!!! I'm going to miss you all, but stop by and say hi next year 😊

6TH GRADE

Mrs. Cameron - Science - We have completed all of our regular earth and space science curriculum! The students have an opportunity to explore a topic of their choice through a Direct Independent Study project. Be on the lookout for the DIS workbook to sign for parent approval. Also, we must complete our short Human Growth and Development curriculum on 5/11 & 5/12. Please refer to the parent letter sent home a couple weeks ago - here is the curriculum preview link:

<https://www.leonschools.net/Page/54691>

We will have a cumulative final exam during the last week of school. It has been a pleasure teaching your kids. Have a great summer!!

Ms. Kirkendoll - Language arts - We have finished Poetry and are now moving briskly towards our final exams. Unit 3 will be tested on May 11th and 12th. Our Study Sync Unit 4 test will be our final exam. We are looking forward to a beautiful summer, and don't forget to do your summer reading. Check with your ELA teacher about what books you should read.

8TH GRADE FLYING UP CEREMONY TUESDAY MAY 23RD IN THE FAIRVIEW GYM

7TH GRADE

Ms. Thompson- Civics - We have made it to the end! Our Civics end of course exam is Wednesday May 10th. The students have worked so hard this year to get to this point and I am so proud of them! It has been such a great year and so fun getting to know everyone! I will miss them next year! We will not have a final exam for Civics.

Ms. Camen - Language Arts -We are finishing up our school year with a small unit on cursive writing! Your students really seem to enjoy trying out the different style. We are also almost done with Unit 4 and our final test will be focused on Unit 4 learning objectives.

Mr. Fletcher - Physical Science - The end of the school year is approaching, and Mr. Fletcher's Physical Science class is winding down for the year. Students will be learning about the four fundamental forces in the universe and finishing the unit with nuclear reactions. This month also includes a state mandated lesson on human growth and development. Along with state testing and the end-of-the-year trip to Busch Gardens, we will also begin preparing for the final exam that will be taken May 22 - 24. It has been a wonderful year so far, and we look forward to a wonderful year's end!

Ms. Barraza - Algebra/Algebra Foundations -Our state testing for math is done so to wrap up this month we will be making sure that we are ready for next school year. Algebra will be learning some key concepts for Geometry next year. This will include the basics of constructions and a transversals project. Algebra Foundations is focusing on key concepts in Algebra such as linear relationships to ensure their success next school year

Mr. Cheuwa - French

The next week French 2 will be presenting the French cuisine project Monday 8th. French 1 will be presenting next Thursday and Friday. The Wheel French will have the French conversation next Thursday and Friday

8TH GRADE

Mr. Johnson-U.S. History-What a great group of students. We started out in a COVID year in sixth grade and were able to end with some normalcy in eighth. I'm so glad I was able to teach you all again and actually get to see you. You all will do great things in high school and I'm looking forward to what is to come next. I appreciate how hard you all worked and what great critical thinkers you are. We still have to finish strong on the Civil War, so let's make it count. Hopefully, we will have time to address reconstruction before the year is over. Congrats on Flying Up soon, the dance, and I'm looking forward to going to Gradventure with you all.

Ms. Adams -Language Arts- Our 8th grade ELA students will be celebrating their success in this year's reading challenge with an in-class celebration on Friday, 5/12. I am SO proud of their progress with independent reading this year and hope that their passion for reading will continue on throughout high school and beyond! The final exam will be the last unit StudySync assessment, as required by the district. We will prepare for this together in class. Thank you for all of your support throughout this school year! 😊

Mrs. Ruth - Spanish -

Spanish 2 has begun their intensive review of the year. Please remember that the Final Exam counts for 20% of the Semester average. Spanish 1 is finishing mini project to help them review and then they will begin intensive review. The Final exam for Spanish 1 also counts for 20% of the semester average. Wheel will do a final project to end the year.

All the students will learn about the true history behind Cinco de Mayo on Friday, May 5.
