*Engage, Enrich, Empower: Increasing Schoolwide Achievement*

**Date:** September 26, 2023

**To:** LCS Title I Schools’ Principals, Assistant Principals, and Parent Liaisons

**From:** April Knight, Title I Director

**Subject:** LCS Title I Parent and Family Engagement Survey – Fall 2023

The Leon County Schools’ Title I Office is administering the Parent and Family Engagement Survey for Fall 2023. The survey allows your school and our district’s Title I Office to understand the aspects of the parent/family and school relationship. Parents/guardians of students at your school should be given the opportunity to complete the Family Engagement Survey. The information gathered will be used to guide continual improvement within our Title I schools to better serve our students and their families.

The survey administration period is **Wednesday, September 27, 2023** through **Friday, November 3, 2023**.

The Parent and Family Engagement Survey is available online and by paper in **English, Spanish, Haitian Creole, Swahili, and Arabic**. Parents/guardians are able to select their language preference by clicking on the appropriate link or scanning the QR code.

Paper surveys (see print-ready attachments) may be used for parents/guardians who are unable to access a computer or device with internet connection. The two-page survey should be printed front and back on a single sheet. **Please make sure that all four corner markers and the barcode are clearly visible when printing the paper surveys.** Some printers may cut off the bottom part of the document and make the survey unreadable/unscannable. If completed on paper, the surveys can be collected and returned to the school’s Parent Liaison. Paper surveys may be submitted to the Title I Office by hand-delivery or mailed via the district’s inter-department mail or USPS (postmarked) by November 3, 2023.

Fall 2023 Title I Parent and Family Engagement Survey

This survey is to help us understand different aspects of the parent/school relationship. We are interested in your thoughts, feelings, and attitudes towards your child's school.

When answering these questions, please consider your experience so far during the 2023-2024 school year. Your responses are anonymous. Please be as honest as possible; there are no right or wrong answers.

Because each child has unique experiences in the same school, you should complete this survey for each child you have attending the selected school (one survey per child). Thank you.
