

Dear Parents/Guardians:

Leon County Public Schools is excited to announce an incredible opportunity on October 19th for your 9th-grade student! We have organized a county-wide field trip, World of Works (W.O.W.)--North Florida <https://www.northfloridaworldsofwork.com/>, to expose your high schoolers to various career possibilities and provide them with hands-on experiences in career clusters. This field trip will take place at Lively Technical College, 500 N. Appleyard Dr.

The primary goal of this field trip is to help your students explore different career paths and better understand the options available to them after graduating high school. By participating in this event, they will interact with various professionals from our Leon County or Big Bend community to gain insight into high-demand and high-wage careers.

Leon County Public Schools believes this field trip will be educational and an unforgettable experience for all participating students by helping them make more informed decisions about their future high school courses and career pathways.

Rickards students will be attending World of Works on Thursday, October 19th from 10:45 am to 12:45 pm. Lunch times will be adjusted.

Directions:

Please return this permission slip by **October 6th** to your student's ninth-grade English teacher.

I **DO** want my child to attend the W.O.W. field trip on their school's designated day.

My child will need a school lunch that day YES NO

I **DO NOT** want my child to attend the W.O.W. field trip on their school's designated day.
