## Ressa's Remarks

### PRESIDENT'S MESSAGE:

November is quickly wrapping up, and as we prepare for a change in season, I hope our families enjoyed some of the community activities that have become beloved school traditions, like the annual Fall Festival and Friendsgiving. The weather was gorgeous for both events, and it was such fun to see the excitement and energy in our students and families.

We have so many things to be grateful for here at Killearn Lakes Elementary. We have an amazing, caring staff, from our custodians and Paraprofessionals to our office staff and all of our teachers; our staff shows up each day with love, dedication, and compassion to help grow our students. We have a supportive community with wonderful and supportive parents, to which we all say THANK YOU for all that you do! And finally, our wonderful KLES student body that keeps us on our toes every day as we strive to present the best school experience each day.

Our next PTO meeting is December 5th at 6:00, and free childcare will be provided. Hope to see you there!

Best,  
Ressa Tomkiewicz  
PTO President
