

Hello Raa Families and Alumni,

This year we have been growing our PTO and excited to see what improvements and support we can give to the school, teachers, and students.

The RAM FAM giving program enables Raa families and friends to give direct donations to our school, supporting our teachers and enriching the academic experience of our students. This spring we are planning to use funds raised to put a privacy fence along MLK, fund student activities, and help fund teacher supplies.

Would you and your family consider joining the RAM FAM this Spring?

There are 2 ways to give during our campaign.

Option 1: Complete the opposite side and provide payment by check (payable to Raa Middle School). Forms, along with payment, may be given to your child's homeroom teacher, the front office, or mailed to Raa Middle School, Attn: PTO, 401 West Tharpe Street, Tallahassee, Florida 32303.) *This is the method to use if you would like a tax deduction or plan to give over the founder's level.

Option 2: (only for founder level) You can scan the QR code and "purchase" a 19.59 sticker online.

For questions, please contact RAM FAM Chair Christina Kingsley at ChristinaKingsley@gmail.com or 205-534-9133.
